## FREE Travel

- TDHB patients and visitors travel free. Bookings are essential.
- Priority seating given to TDHB patients and WITT students.
- WITT students must present current WITT ID for free travel.
- Children under 5 travel free (any time).
- Free off-peak travel for SuperGold Card holders when the concession is applied to the Bee Card.

## Tag on tag off

Bee Card is a tag on tag off ticketing system - when you board the bus, hold your card over the card reader to tag on. Wait for the beep and green screen, then you're ready to go.

When you've reached your destination, do the same again to tag off. It's important to tag off to ensure you are charged the correct fare.

## Manage your Bee Card

Bee Cards need to be registered to a Bee Card account to enable the online top up function and to protect your balance if you lose your card.

You can also manage multiple cards in one Bee Card account, ideal for families with multiple cards.
